### PAYMENT

- Tuition fees must be paid every month in advance. There are ten payments a year (September to June).
- Please respect the payment date for monthly fees. Starting from 1st September, any unpaid accounts will be charged for the banking fees incurred to the school.
- After an initial review of the school finances, we have decided not to increase the fees further than the 3% agreed with the previous management.
- The cost of transport (ALSA) and the canteen service (VISAMA), will rise due to the current cost incurred to the school by both companies.
- Following directives from the new owners of the school, please note that from September 2018, no cash payment of fees will be permitted through administration. All fees should be paid by bank transfer.
